## EASTSIDE BOUTIQUE

The Fashion-minded merchants on Bellevue's Main Street look out for each other; recently at Posh on Main we saw a Tiffany-blue calling card for La Ree, a new boutique around the corner. The notice listed the stores featured designers, among them Anna Sui—whose bright, brilliant lines aren't anywhere in the 206 area code. Shop owner Rachael Nov, who honed her chops at Barneys, puts hard-to-find pieces like Sui's next to easy-to-wear ones, like those addictive Mike and Chris Hoodies.
